Aspiring Full-Stack Software Developer with one year of hands-on experience in React, Node.js, Firebase, MongoDB, and Express. A graduate of the Zaio Full-Stack boot camp and certified in Python fundamentals through Cisco Academy, I bring strong technical and problem-solving skills. Through my roles at mLab and Botlhale AI (funded by the YES Programme), I've contributed to real-world projects in data annotation, web scraping, and quality assurance, showcasing my dedication and adaptability.

Skills / Strengths

Soft skills

Technical Skills

- Problem-solving 
- **Programming Languages:** HTML, CSS, JavaScript, TypeScript, Python
- Adaptability
- Teamwork and Collaboration and Java
- Communication 
- **Frameworks & Libraries:** React, Node.js, React Native and Express
- **Databases:** MongoDB, Firebase and js

SQL

▣ **Additional Skills:** RESTful API development, Version Control (Git/GitHub)

Experience

2023-09-01 –2024-08-30

Data annotator Intern
Botlhale Ai

- **Web and Audio Scraping:** Leveraged Python to gather and process web and audio data, supporting Botlhale AI's mission to make digital services accessible in African languages.
- **Data Processing and Quality Assurance:** Automated data cleansing and transformation to improve efficiency and dataset accuracy.
- **Transcription and Quality Checks:** Transcribed and annotated audio data with precision, contributing to the development of high-quality language resources.

Impact: Enhanced the quality and reliability of African language datasets, directly supporting Botlhale AI's goal of inclusive digital access for African communities. 2024-07-01 –

Present

Full-Stack Developer Trainee
MLAB

- **Project Development:** Worked on multiple full-stack projects using React, Node.js, Express, MongoDB, and Firebase, creating dynamic, responsive web applications with both client- and server-side components.
- **Responsibilities:** Developed front-end interfaces, integrated backend services, and optimized data storage solutions, delivering functional prototypes that met project requirements and deadlines.
- **Current Focus:** Enhancing skills in React Native for mobile development, expanding capabilities in crossplatform application development.

Impact: Strengthened skills in full-stack development, improved project delivery times, and contributed to highquality, maintainable code, preparing for industry roles.

□

Education

2024

Full-stack development, Zaio
Cape Town

- Full-Stack development
- Soft Skills

2017

Matric, Ntshuxeko High School

Phalaborwa

Training and Certifications

- **YES4Youth Work Readiness Training Certificate**
- **SheCodes Basics Certificate** (HTML & CSS)
- **Bothale AI Certificate of Completion** (Data Annotation Intern)
- **JavaScript Essentials 1** – Cisco Networking Academy
- **Python Essentials 1** – Cisco Networking Academy
- **Soft Skills Certificate** – Naspers
