SUMMARY

Full-Stack Developer with expertise in React, Node.js, Firebase, MongoDB, and Express. A Zaio boot camp graduate and Cisco-certified in Python, I have hands-on experience in web and mobile development, data annotation, and quality assurance. Through roles at mLab and Botlhale AI, I've contributed to real-world projects, showcasing my adaptability and problem-solving skills in building scalable digital solutions.

EDUCATION

Full-stack development
ZAIO CODING ACADEMY, Mar 2023 - Jan 2024

EXPERIENCE

Full-Stack Developer Trainee
MLAB CODETRIBE, Jul 2024 – Mar 2025
Developed full-stack web and mobile apps with React, Node.js, and Firebase, optimizing performance and expanding cross-platform expertise with React Native.

Data annotator Intern
BOTLHALE AI, Sep 2023 – Jul 2024
Web and audio scraping, data processing, transcription, and quality assurance to improve African language datasets, supporting Botlhale AI's mission for inclusive digital access.
